

**REQUEST FOR PROPOSED INSTALLATION IN COUNTY RIGHT-OF-WAY
TO THE COMMISSIONERS' COURT OF BRAZOS COUNTY, TEXAS
BRAZOS COUNTY ADMINISTRATION
BRYAN, TEXAS 77803**

Formal notice is hereby given that (applicant) _____ proposes to place a (type) _____ within ___ across ___ the right-of-way of (road) _____ in Brazos County, Texas as follows:

The location or description of the proposed installation is more fully shown by 3 copies of the drawings attached to this notice.

I understand and agree that:

1. The County Engineer must be notified 72 hours prior to the beginning of construction in order that he, or his designated inspector, may inspect the actual installation;
2. All damage to the roadways and rights-of-way will be repaired to their original condition to the satisfaction of the County Engineer;
3. Brazos County reserves the right to require Applicant to relocate or lower any such line at no cost to Brazos County, should same become necessary due to widening or lowering, or other alteration of the roadway or right-of-way;
4. Brazos County will in no way be responsible for any damage which might occur to any existing utility lines in the right-of-way;
5. The line will be constructed and maintained on the County right-of-way in accordance with the Utility Accommodation Policy which was adopted by the Texas Department of Transportation on May 29, 1989;
6. The line or lines will be constructed no less than twenty-four inches (24") lower than the lowest part of the drainage or bar ditch and the drainage is to be considered at least two feet (2') below the center of the roadway;
7. All sites will be barricaded during the construction period.

Construction of this line will begin on or after the ___ day of _____, 20__.
